

CABOVERDE INVESTMENT FORUM 2019 "THE MID-ATLANTIC GATEWAY TO THE WORLD'S ECONOMY"

Dear Sir or Madam,

I am honored to extend this invitation for your participation in the "Cabo Verde Investment Forum 2019," which will take place at the Hilton Resort, in Sal Island, Cabo Verde, on July 1, 2 and 3.

The forum's main objective is to bring together high-level decision makers from major Cabo Verdean and international companies, senior representatives of financial and development institutions, local and international investors and entrepreneurs and the diaspora, in a business conducive environment, with a view to accelerating investments and growth in the most promising markets in Cabo Verde.

Through plenary sessions, industry, business and economic leaders will share their experience, present their vision and strategies for the development of the private sector in Africa and Cabo Verde, and learn about the advantages of locating their businesses in Cabo Verde, a mid-Atlantic economic hub.

Thematic sessions will be dedicated to presenting investment opportunities in the most promising economic sectors: energy (renewable energies), tourism, maritime & air transport, information and communication technologies, the blue economy (bunkering, fisheries, research and scientific activities), and agribusiness.

And through B2B and B2G meetings, participants will be given the opportunity to meet their next business partners or financiers, present specific and concrete investment projects and discuss public-private partnership opportunities.

It would be an honor to welcome you at the forum. Please join us to find out how you can participate in shaping this vibrant Mid-Atlantic economy open to the world.

Ulisses Correia e Silva
The Prime Minister of Cabo Verde
